From,

The Deputy Commissioner

To,

The Secretary to the
Government of Mysore.
Muzaraji Department.

Sir,

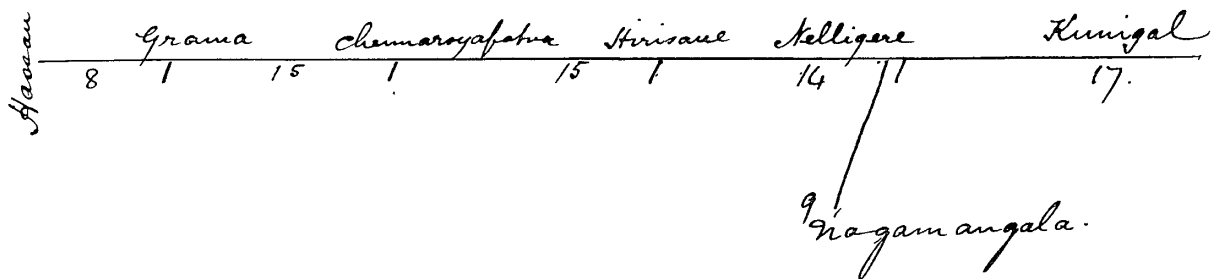

Referring to Secretary's official
memorandum no. 357 dated 4th Instant,
drawing attention to subject no. 160
of the Dasara Representative Assembly
Proceedings of 1895, anent removal of
the annachattram from Grama to Hirri-
-sava, I have the honor to state as
follows:—

2. The question affects solely travellers
to and from Hassan through Chenaroya
-fatna along the Bangalore-Mangalore
road and the Kelligere-Mysore road.
3. In Hassan and Chenaroyafatna
there

there are Annachatrams, and Grama is situate 8 miles from the former and 15 miles from the latter. Beyond Chennarayapatna, the nearest Annachatram, for the travelling public, on the two roads adverted to above, are Kunigal on the Bangalore-Mangalore road and Mangalore ^{and St. Agamangal} on the Nelligere-Mysore road. Kunigal and St. Agamangal are 45 and 37 miles respectively from Chennarayapatna. So long as there was Sreenivasaiahgar's Annachatram at Nelligere, the question of transferring the Grama Chattram to Hirisave was of no practical importance, but now that the Nelligere Chattram has ceased to be maintained by the descendants of its benevolent founder, the transfer, in my opinion, has become an absolute necessity. A glance at the following rough

diagram

diagram will show that our charity would be better bestowed and appreciated at Hirisane than at Grama.

I have seen Hirisane and consider it a fit place every way for the location of an ammachattram. The Bhandi Motte (cart stand) in the place is a convenient place for the location of the chattram as there are, in connection with it a fine well of drinking water, cooking, bathing and retiring rooms, for both Brahmans and non Brahmans and a small tank in close proximity. Under these circumstances I would recommend the adoption of the suggestion of the Representative members

members who proposed the transfer.

I have the honor to be,

Sir,

Your most obedt servant,

W. M. J. P.

Read, Subject No 160 of the
Representative Assembly
Proceedings of 1895, regard-
ing the transfer of the
Auna chattram at
Bivisani.

And, Letter No. 300 dated 19th Sept^r
96, from the Dy Comr, ~~Hassan~~
Hassan St, reporting on
the above.

Order thereon:

The Dy Comr reports that
there are Auna chattrams
both at Hassan and cheema-
royapatna which are
23 miles distant from each
other and that therefore the
Auna chattram ~~now at~~
~~between these~~
~~two stations, now at~~
which is only 8 miles ^{distance} from
Hassan, is quite
superfluous. On the other
hand, travellers proceeding
on the other side of cheema-
royapatna towards Banga-
lore or Mysore are reported
to have no accommodations
en route except at Kunni-
gal and Nagamangala
— places which are respec-
tively

tively 46 and 38 miles
distant from Chenukya hatua.
The Dy. Comr therefore supports
the prayer of the representative
~~the~~ members for the transfer
of the present chattra at
Grama to Hivisave,
a place nearly midway
between Chenukya hatua
on the one side and either
Kunigal Kunigal or Naga-
mangala on the other.

2. Under the circumstances
represented, the Govt
are pleased to sanction
the transfer of the Bena
chattra at Grama
to Hivisave as an experi-
mental measure for
one year, after which
the Dy Comr should submit
a report as to the working
of the measure for the
further orders of Govt.

3. With regard to the location
of the chattra, the Dy
Comr's proposal to utilize
the Bhandi Thatti (cart Chaud)
in the place, for the purpose,
is approved.

To
The Dy Comr, Hassan
The Comr to Govt.

Muz Secretary.
